37TH ANNUAL FESTIVAL JULY 15TH-18TH, 2010

President's Message

As the Billy Barkers Days members are hard at work preparing for Festival 2010. I would like to thank the Community for their continued support. This year will be the 37th year for the Bill Barker Days Festival. Wow! This Festival truly belongs to you, the community. We are so appreciative of our Business Community, as their corporate sponsorship is the backbone of our financial structure. Members of the community help the Society's fund raising by renting our tents, buying Billy Buttons, souvenirs, and programs. Thank you. We need this support to finance our fabulous stage line up. While Headliners and the entire stage entertainment is free to you, the public, to enjoy, the cost to the Society is in excess of 30,000.00. The Parade and Fireworks each cost more than 10,000.00. Kids' Day and Seniors' Day combined have a cash and in kind budget of 7500.00. As you can see our 'Free' Family Festival is very costly. Once again thank you to the Business Community and all members of the community of Quesnel. Without your support, Billy Barker Days, your festival would not happen. So come out and enjoy YOUR festival. Decorate your business, enter a float in the Parade, enjoy the activities in the Park, and end your weekend by watching the Fireworks.
